ACCESS INSTRUCTIONS

Virtuale Basel: Access Instructions and Important links

Guidebook Virtuale Lausanne

The program for the Virtuale Lausanne is available as a **GUIDEBOOK** mobile application which can be downloaded free of charge. The guide contains extensive information on Virtuale Lausanne including access instructions, a tour guide, event calendar and brief descriptions of the artworks and artists.

The Guidebook is available for download via Google Play or Apple iTunes.
http://guidebook.com/guide/19471

The Guidebook application can be download by typing the following URL into your browser on your mobile device: **http://guidebook.com/guide/19471**

Or it can also be downloaded by scanning in the QR Code here using any bar scanning application.*

*Note: If a bar scanning application is not available on the mobile device, one can be obtained by searching in Google Play or Apple iTunes. Recommended is the **i-gnima** bar code reader.
